Subject: Quick Check in on Bradford Island

Calvin and Kira,

May I request a short call with you this week? It should be 5-10 minutes only. I recently received unconfirmed information that the Bradford Island listing package had been declined. That was not my understanding based on our recent phone call. Accordingly, I wanted to double check that the listing is delayed due to a missed deadline and extra steps (such as OMB review) but that no final decision had yet been made.

Are you available for a brief call to confirm?

Thanks,
Paul
